Name STUDENT #1 **Text** Jobs' speech para. 9-14 (section 2)

FINDING DETAILS

I find interesting details that are related and that stand out to me from reading the text closely.

Detail 1 (Ref.: 69-70)	Detail 2 (Ref.: 75-76)	Detail 3 (Ref.: 68)
"The turn of events at Apple had not changed one bit. I had been rejected,but I was still in love. And decided to start over."	"I started a company named NeXT and another company named Pixar.	" I still loved what I did."

CONNECTING THE DETAILS

I re-read and think about the details, and explain the connections I find among them.

What I think about detail 1:	What I think about detail 2:	What I think about detail 3:
The heaviness of being successsful was replaced by the lightness of bieng a beginner again , less sure about everything.	He was sure that if he didn't get fired from Apple he would not have started the other things that he wanted to do.	He was freed so he could enter the the most creative periods of is life.

How I connect the details: If Jobs didn't get fired from Apple he would have not made anything else.

MAKING A CLAIM

I state a conclusion that I have come to and can support with evidence from the text after reading and thinking about it closely.

My claim about the text:

Steve Jobs had been fired from Apple and he could do anything he loved to do.
